Check-in

We would like to remind you that all passengers aged 6 years and over are required to submit a negative PCR test (nucleic acid) before their return flight to Turkey. The sample for the test must have been taken within 72 hours prior to the passenger's scheduled departure from the country of origin. Please keep in mind that taking a PCR test before your flight to Turkey is mandatory and we wish you a nice flight. For more details, please visit the [travel restrictions](#) page.

International Passengers who will arrive to Turkey as of 15th of March 2021 GMT+3 (not including transit passengers and passengers under of age 6) are required to fill in the Turkey Entrance Form which can be obtained [here](#) within 72 hours of their departure. Print out or the mobile screenshot of the filled form will have to be submitted to airline crew before boarding.

ATTENTION!

The total cost of your ticket will be charged via the payment method you chose at checkout.

In accordance with the Tax Procedure Law General Notification Serial No. 462, financial e-tickets which have been electronically signed and are valid as authentication documents can be accessed at the following address within 72 hours at the latest after the ticket has been issued: <http://ebiletatura.turkishairlines.com>

If you purchased travel insurance with your ticket, your policy will be sent to the email address you provided within 24 hours.

At checkout, passengers who receive a warning indicating that they will have to present a credit card, and then accept this warning, must present the card owner's credit card and valid ID (passport, birth certificate, driver's license, or marriage certificate) before their flight at Turkish Airlines Sales Offices or at the check-in counter. Furthermore, your credit card must be submitted for any changes or cancellations/refunds to your ticket. Self check-in is not allowed for processes in which the presentation of a credit card is required. If the credit card you use for payment is a virtual card, please bring the credit card to which the virtual card is attached with you.

Documents required for flights (passport, visas, identity documents) are required to be kept with you at all times.

It is the passenger's responsibility to obtain all necessary visas and other documents required for travel (visas required by destination countries, transit visas required by countries in which flight transfers are made, etc.). Turkish Airlines takes no responsibility for reminding passengers that these documents are required or for checking that passengers have these documents. Please [click](#) for more information.

Online check-in opens 24 hour before your flight.

For international flights, you are required to be at the airport at least 2 hours before the flight's scheduled departure time. For international flights, all check-in and baggage handling procedures must be completed at least 60 minutes before the flight's scheduled departure time.

For domestic flights, you are required to be at the airport at least 1 hour before the flight's scheduled departure time. For domestic flights, all check-in and baggage handling procedures must be completed at least 45 minutes before the flight's scheduled departure time.

Because Turkish Airlines is based in Turkey, additional processing fees may be charged by your bank for any online ticket purchases made with a credit card not connected with a Turkish bank. Please contact your bank for further information.

You need to have collected your boarding pass and completed all baggage procedures before boarding.

If your baggage is in excess of your allocated limit, please take into account the time it will take to pay excess baggage fees when planning your journey to the airport.

Passengers whose tickets are not checked at the gate before boarding, even those who printed their boarding passes from the internet, will not be accepted onboard.

Due to the operational procedures involved, any special requests (wheelchair assistance, special meal requests, etc.) must be made at least 24 hours prior to the flight. Please [click](#) for more information.

For some of our connecting flights, passengers may have to connect using a different airport in the same city. For example, some London-Tehran flights connecting in Istanbul may require first landing at Istanbul Sabiha Gökçen Airport, then a transfer to Istanbul Airport before boarding the connecting flight. Passengers will confirm they understand should this be the case and will then be responsible for transferring themselves and their baggage to the airport from which the connecting flight is to depart.

-  Please [click](#) for details about carry-on baggage. Do not forget that your carry-on baggage should not exceed the maximum size.
-  The type of aircraft scheduled for a flight may change for operational reasons.
-  Turkish Airlines cannot be held responsible in case of delayed receipt of your email due to technical difficulties.
